

# Tu che di gel sei cinta

G.Puccini (1858 – 1924) | G. Adami (1878 – 1946) and R. Simoni  
(1875 – 1952)

**Tu che di gel sei cinta**

**You that with frost are covered**

**da tanta fiamma vinta**

**From many flames overcome**

**l'amerai anche tu!**

**From many flames overcome**

**L'amerai anche tu!**

**Him-love also you!**

**Prima di quest'aurora**

**Before that this-dawn**

**io chiudo stanca gli occhi**

**I close tired my eyes**

**perché egli vinca ancora...**

**Because he wins again...**

**per non, per non vederlo piu!**

**So not, so not see-him again!**

**Prima di quest'aurora**

**Before that this-dawn**

**io chiudo stanca gli occhi**

**I close tired my eyes**

**per non vederlo piu!**

**so not see-him again!**

## English translation

You who are shielded with frost  
Overcome by so many flames  
You too will love him!  
You too will love him!  
Before this dawn  
I close my eyes, exhausted  
So he wins once more  
Wins once more...  
So I won't  
So I won't see him again  
Before this dawn,  
This dawn,  
I close my eyes, tired  
So I won't see him anymore.
